

It always takes longer than you think to get around The Strip. The 2.5 miles between the Wynn and Mandalay Bay is a slalom course of tourists, traffic, and intersections (which can take up to eight minutes to cross!). Skip the pricey, not-so-convenient monorail, and use this handy walking guide instead.

# LAS VEGAS WALKING MAP

## WALKING TIMES

West side of Las Vegas Blvd.

Total time to walk from TI south to Mandalay Bay: 1 hour, 5 minutes

TI to Mirage: 5 minutes

Mirage to Caesars Palace: 5 minutes

Caesars Palace to Bellagio: 10 minutes
